

# Green Champions Training

## Resource Efficiency Action Planning

### Greenview Windows & Doors

has completed Resource Efficient Scotland's full series of Resource Efficiency Action Planning training modules

Marissa Lippiatt,  
Head of Resource Efficient Scotland

Awarded on: March 2018

By using resources more efficiently, Scottish organisations could save £2.9bn every year.

Resource Efficient Scotland provides free advice and support to help organisations across Scotland save money on energy, water and raw materials.

Growth that doesn't cost the earth.
